

Wheelchair accessible or
not?

Today i will present to you a quiz. The quiz is showing you pictures and you will decide if it is wheelchair accessible or not. There will be 6 questions.

1st question- Is this wheelchair accessible or not?

Definitely not!

This is not wheelchair accessible because to get into the school you have to walk up stairs, which a person in a wheelchair can't do.

2nd question- Is this wheelchair accessible or not?

It is wheelchair accessible

It is wheelchair accessible because people in a wheelchair can ride up and down the ramp. Also there is the handicapped sign in the right corner.

3rd question- Wheelchair accessible or not?

It is wheelchair accessible

It is because people in a wheelchair can go up and down a ramp and also there is a button that you press to open the door for handicapped people. The library is wheelchair accessible.

4th question- Wheelchair accessible or not?

It is not wheelchair accessible

It is not wheelchair accessible because people in a wheelchair can't get up the stairs to get in the train station without help from another person.

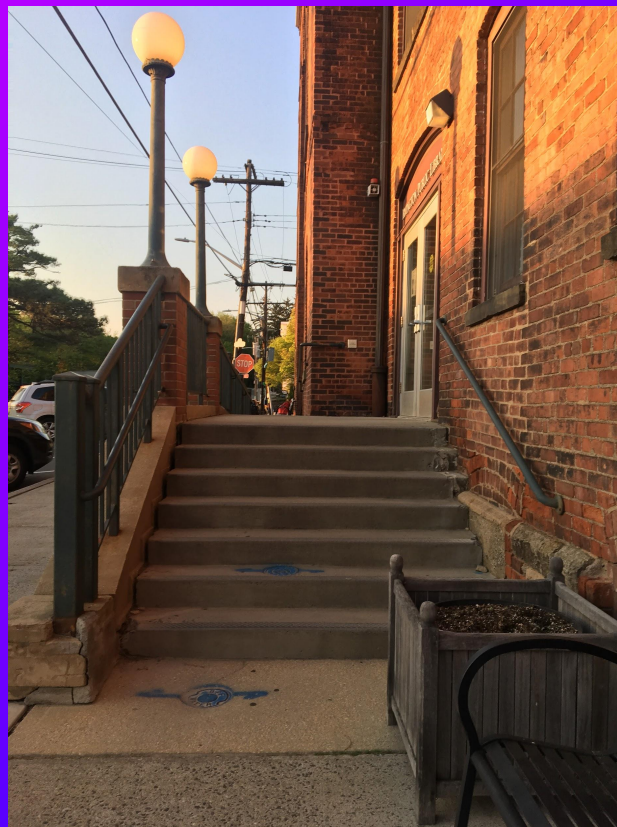

5th question- is this wheelchair accessible or not?

It is definitely not wheelchair accessible

It is not wheelchair accessible because if you were a disabled person, then you couldn't get down the stairs to get on the field.

6th question- Is this wheelchair accessible or not?

It is not wheelchair accessible

It is not because you have to get up stairs in order to get in the library. The library has a ramp and stairs so the building is definitely wheelchair accessible.

Thanks for participating!
